"BRINGING GOD'S MERCY
TO THE NATIONS"

Establishing Points of LIGHT

After driving two hours we reached the end of the road. There we found a nicely cemented path which turned into steps cut into a dirt path. These steps led us into a village where the Light now shines. We were there to witness the dedication of a Christian home and the youngest son living in this new home. As we prayed for this home and child I was keenly aware that God was establishing a point of Light in this remote area.

In 2009, Pastora Remy reached out to this village but the people rejected her message of hope through Christ and made it clear they were not interested in her coming back. After three years and a typhoon damaged the area she was invited back and the seeds that were planted earlier began to take root! They are currently meeting under a metal roof connected to a house and a piece of land has been donated to build a church. Please pray that strongholds and addictions would be broken as this new church is established, new believers grow and God's light spreads through these mountains.

"I will never forget..."

As we waited for the bus, one of the fishermen turned to Bob and said, "I will never forget you fishing with us." We had been visiting the city of Palompon, Leyte, where fishing is the main livelihood. The men who attend the church there are mostly fishermen and are not unlike a group of fishermen Jesus called to follow Him - rough and ready to meet Jesus!

Bob was praying for a way to connect with them and help them feel accepted. It has always been Bob's dream to spend a night fishing on the ocean in a bunca boat. God fulfilled this prayer and dream in a single night on the Visayan Sea! God places dreams in our heart and fulfills them but more importantly, uses them to reach out to others!
